A message from Shane King MP

I am proud to be part of Premier Anastacia Palaszczuk's team helping Queensland to Unite and Recover from the impacts of COVID-19. I am glad that we put the health of Queenslanders first, keeping our borders closed for longer. But we couldn't have achieved such success in Queensland without your help. **On behalf of the State Government, thank you for the sacrifices you have made to keep us all safe.**

As the State election approaches, I know the risk of new infection will be weighing on some of your minds. I wanted to let you know that our government will be doing everything we can to make sure appropriate voting options are made available. **If you would like to put your name down on our postal vote list now, please phone me or e-mail Kurwongbah@parliament.qld.gov.au .**

As restrictions continue to ease, I look forward to catching up in the community again. For now, stay safe and stay well.

Shane King
